[An assessment of the value of a lot of coins
belonging to the Estate.]

May 7th, 1943.

Estate of Charlemagne Tower, Dec'd.
Philadelphia, Pa.

Gentlemen,

We have carefully gone over the lot of coins belonging to the above Estate checking each date hoping to find something scarce but find the cents to be all of common dates and in ordinary condition. Some of the cents are only redeemable and some so mutilated as to be of no value. The fractional currency is worth its face value.

We find the lot to be worth \$36. for which amount we enclose check herewith. Hoping this will be satisfactory, we are,

Yours very truly,
